

GREED OF GAIN

and thirst for pleasure. The ruling passion of the human family. In grasping after rich rewards, it is taxed, the nervous system strained. In the effort to gain, the heart is tortured by fashions, despite away; the hours designed for repose are devoted to exertion; the body is overtaxed, the mind imposed upon pure water, the natural drink for all created beings, is ignored, and death comes on us, until, ere we are aware of it, disease has made its way upon us. Then we look for the "remedy." To the victim of these follies, we commend Dr. David's Liver Pills. They stimulate the liver, strengthen the nerves, and build up the debilitated body.
